2026 Membership Renewal

Post dues as of January 1, 2026 are $50 for 59 and younger, $40 for 60 and older and $45 for Early Birds; the 3-year rate is $130 for 59 and younger, $120 for 60 and older. If you pay dues online, you will be charged our official dues rate of $50. You can only get our senior dues rate of $40 by using the renewal notice and mailing your $40 to the Post. The same is true for the Early Bird rate of $45 for 59 and younger. If you pay 3-years online, you will be charged 3 X $50 = $150. You can only get the discount rates of $120 for 60 and older/$130 for 59 and younger by paying at the Post. **Two things are important when you pay online: make sure you are paying for 2026 unless you are behind and want to catch up your years; and do not click on the $25 or $30 options. If you click on one of them, the system will make you a new member starting with one year and a new membership number and put you in the headquarters Post which is Orlando 400. Post 316 will lose you as a member and get no credit for your renewal. Please remember that you cannot pay your dues to the Post by credit card as we cannot process them.** Use the ATM next to the East side exit if you need cash.

Meeting Attendance

Continuing this month, Post 316 members will not be served at the bar when their organization is meeting. Legionnaires will not be served on the second Monday from 7 PM until the meeting ends. Auxiliary members will not be served on the second Monday at 8 PM until their meeting ends. SAL members will not be served on the first Tuesday at 6 PM until their meeting ends. Riders will not be served on the first Saturday at 9 AM until their meeting ends. Members' drinks will be collected until their respective meeting ends. Please plan to attend your respective meeting.

SAL STATE EMAIL GROUP

The SAL Detachment of Florida has a Google email group open to all SAL members which promulgates information on activities and functions sponsored by Squadrons, Districts or the Detachment. Members are welcome to sign up by going to the Detachment website (www.floridasons.org). At the bottom of the page is a button and information about the Google group. Just click the button and follow the prompts. You will then be set up to receive information about your Detachment. There is a full page QR Code posted on the bulletin board next to the liquor locker.

FOOTBALL WITH A PURPOSE

The Florida Department of The American Legion and PROJECT VetRelief Suicide Prevention Initiative are proud to work with the Tampa Bay Buccaneers for *Football With a Purpose*, a special game day experience dedicated to raising awareness and support for Veterans' mental health. It'll be the Tampa Bay Buccaneers vs the Atlanta Falcons on Sunday, Nov 1, 2026 at 1:00 PM at Raymond James Stadium in Tampa. A portion of every ticket purchased through the link in the email that can be accessed at the Post will be donated directly to PROJECT Vet Relief's Suicide Prevention Initiative. Department anticipates additional game day activities and will share them when received-they be on Department's web site floridalegion.org. For ticket questions, contact Cam Bell at 813-638-8509 or cbell@buccaneers.nfl.com.

Scam Targeting Veterans

Scammers are mailing postcards claiming you may qualify for **"extra VA benefits"** through something they call the Veterans Savings Program. These mailings may also mention CHAMPVA, TRICARE, dental coverage or additional payments. These postcards **are not from the Department of Veterans Affairs,** and the Veterans Savings Program **does NOT exist.** The scammer's goal is to pressure you into calling a phone number printed on the postcard. They often try to create a sense of urgency, telling you to respond within a short time frame window. Once on the phone, they may use flattery about your service to build trust, but **their real intent is to collect personal information such as your Social Security Number, bank account details or other sensitive data.** To protect yourself: **Do not call the number listed on the postcard and never share personal or financial information with someone you don't know**. Your safety, privacy and well-being matter. Please stay alert to potential scams and take steps to protect your personal information.

WORLD SERIES COINS

The Post has World Series Coins available for $5 each. See either Liz or Clarence to purchase a coin, limited one per person.

NEW NIGHTLY EVENTS

We have started two new bar games on Thursdays after bingo. We play Show Me the Money from 4-6:30, then we play Music Bingo from 7-9. The Auxiliary has also started a Taco Tuesday every Tuesday at 5:30 and the Sons do a BBQ every Wednesday at 5:30.

New SCAM Alert from the Department of Florida

Recently, scammers are sending fake emails that appear to be invitations or announcements about a **member's Celebration of Life or passing.** These messages use the name of someone known to you making them appear legitimate. **Be cautious before clicking on any link or opening an attachment in an unexpected email.** If you receive a suspicious message: do not click links or open attachments; do not reply or provide personal info; contact the person or Post directly to verify the message; delete the email if you confirm it is a scam. Scammers use familiar names, urgent messages, sad news, prizes, invoices or other attention-grabbing subjects to get you to click. **NOT SURE, DON'T CLICK.**

EARLY BIRD DINNER

The Early Bird period ends at midnight on Veterans Day, Nov 11th. November's calendar is fully booked, so the dinner will be announced at a later date.

SAL Eligible for NEF Grants

The Legion's National Emergency Fund Trust Committee has amended the Trust to allow Sons of the Legion members to apply for NEF grants for "declared" natural disasters. While application forms and information on Legion.org are being updated to reflect the change, effective immediately, SAL members can apply for an NEF grant of up to $3,000 if they meet the necessary qualifications: they have been displaced from their primary residence due to damage sustained during a declared natural disaster. If emergency/disaster shelters are available, and the applicant chooses not to stay at a shelter, their reason must be included in the application; and the SAL member must have a current membership at the time of the disaster and at the time of the application. NEF grants are not meant to replace or repair items, only to meet the most immediate needs (i.e. temporary housing, food, water, clothing, diapers, etc., during the period immediately following the disaster. They also do not cover insurance compensation or monetary losses from a business, structures on your property (barns, tool sheds, etc.), equipment or vehicles. Application must be submitted to Department Headquarters within 90 days of the disaster. Only one grant per household per disaster. Supporting data (photos, receipts, repair estimates, etc.) should be included if possible. For more information, go to Legion.org/Emergency.

VA Home Loan Program

The VA Home Loan Program Reform Act authorizes the VA to create a "permanent partial claims program" that gives Veterans a second chance to stay in their homes. Thousands of financially distressed Veterans using the VA Home Loan Guaranty Program who are at risk of foreclosure will become eligible for federal assistance to cover their mortgage under this new program signed into law in July by President Trump that allows them to defer monthly mortgage payments temporarily without losing their homes. Under the program, the VA buys a portion of the Veteran's debt and secures a lien on the property. The legislation is intended for homeowners struggling to rebound from financial setbacks, such as a job loss or high medical bills. The Veteran does not have to pay off the claim until the home is sold or refinanced. The legislation passed unanimously in the House and Senate. The bill also enables the VA to continue funding not-for-profit community agencies that run homeless prevention programs that provide transitional housing and services for Veterans experiencing homelessness through the Homeless Providers Grant and Per Diem Program. The American Legion supported this bill. "This critical legislation represents a profound commitment to safeguarding the financial security and dignity of Veteran homeowners."

Vietnam Novel

Ken Bennett has written a novel about his father's service in the Air Force as an Aircraft Control and Warning Specialist with multiple TDYs in Vietnam from 1965-1969. The novel explores his experiences in SE Asia, the challenges of returning home and the lasting impact of PTSD on the family. He has provided two links to the novel: https://kenbennett.us/ or https://www.amazon.com/dp/BOGXWM1X7G.

LEGION STATISTICS

The Temporary Financial Assistance program has provided $31,000 in grants this year. The USA 250 Challenge raised $131,000 for VCF with 3,140 participants. By July 1st, VA benefits appeals filed by Legion Service Officers saw 37.1% decided in favor of the Veteran with 33.2% remanded for further documentation.
